Please describe the supply chain for the submitted product based on this components.

- NA (North America)
- SA (South America)
- EU (Europa)
- NE (India, Bangladesch)
- FE (Far East, Asia)
- Pacific (Australia, NZ, ...)

(12.2) Please enter percentage of this material rounded to the nearest whole number.

Please describe the supply chain for the submitted product based on this components.

- NA (North America)
- SA (South America)
- EU (Europa)
- NE (India, Bangladesch)
- FE (Far East, Asia)
- Pacific (Australia, NZ, ...)

(12.3) Please enter percentage of this material rounded to the nearest whole number.

Please describe the supply chain for the submitted product based on this components.

- NA (North America)
- SA (South America)
- EU (Europa)
- NE (India, Bangladesch)
- FE (Far East, Asia)
- Pacific (Australia, NZ, ...)

(13) Is the submitted product...

... recyclable?

- Yes
- No

... C2C certified?

- Yes
- No

(14) What makes each of the product components a "sustainable" material and different to the standard materials? Why did you choose especially these materials regarding the product performance?

300 characters

(15) Which kind of water repellency do you use for the submitted product?

- C8
- C6
- C4
- FC Free

(16) Which kind of hazardous chemical management system do you proceed for the submitted product?

- according to law (REACH)
- bluesign® (bluefinder)
- Clean Production Action (GreenScreen)
- GOTS or similar
- Ökotex SteP
- other

FILE UPLOAD AVAILABLE

(17) In case the submitted product containing...

... Down, is the Down used certified according to a Down Standard like RDS, TDS, Down Pass, etc?

- Yes
- not applicable

... Merino Wool, do you make sure the used Wool is museling free?

- Yes
- Not applicable

(23) Is this product during it's value chain transported under a programm, following a CO2e Emission strategy?

- None
- formulated strategy for CO2e Emission due to transportation
- short transportation ways (within EU, within AP, ...)

(24) What is the production location of product manufacturing?

- NA (North America)
- SA (South America)
- EU (Europa)
- NE (India, Bangladesch)
- FE (Far East, Asia)
- Pacific (Australia, NZ, ...)

What is the location of target markets?

- NA (North America)
- SA (South America)
- EU (Europa)
- NE (India, Bangladesch)
- FE (Far East, Asia)
- Pacific (Australia, NZ, ...)

### Sales-Packaging & Labelling

(25) Please describe the sales-packaging and labeling for the submitted product.

- No post-consumer recycled content
- 1 - 30% recycled content
- 31 - 50% recycled content
- 51 - 100% recycled content
- Effective packaging for shipping (size, product-packaging ratio)
- Only one substrate used
- re-usable packaging
- FSC certified paper and cardboard
- Unbleached chlorine and acid free paper and cardboard
- No coatings
- Biodegradable
- No PVC

### Maintenance & Care

(26) What is the wash and care instruction of the final apparel?

- recommended wash temp -90°C
- not washable
- professional chemical (dry) cleaning required
- recommended wash temp -60°C
- recommended wash temp -40°C
- recommended wash temp -30°C
- reduced washing cycle due to DWR
- handwash
- no ironing - wrinkle free
- Clothline drying recommended
- quick drying (synthetics >35%)

### Guarantee

(27) What is the guarantee for the submitted product?

- according to law
- 2-5 years
- 5-7 years
- lifetime guarantee

### Repair Service

(28) Which repair service does your brand provide for the submitted product?

- None
- Spare parts provided
- Repair via contractor
- Own repair service with feedback to R&D and Design

### Product Lifetime

(29) Please describe the expected product lifetime and how you determine it.

300 characters

### End of use (EOU): infrastructure and consumer advice

(30) Do you provide an EOU infrastructure and EOU consumer advice for the submitted product?

- None
- Own infrastructure provided or cooperation with already existing infrastructure operators
- Consumer advice provided: via website; ...: in store; ...: on label of product

### Life Cycle Analysis (LCA)

(31) Have you done an LCA for the provided product or product group?

- None
- >3 years old
- <3 years old
